

Policy: MBP 229.0

Section: Medical Benefit Pharmaceutical Policy

Subject: Olinvyk (oliceridine)

I. Policy:

Olinvyk (oliceridine)

II. Purpose/Objective:

To provide a policy of coverage regarding Olinvyk (oliceridine)

III. Responsibility:

- A. Medical Directors
- B. Medical Management
- C. Pharmacy Department

IV. Required Definitions

1. Attachment – a supporting document that is developed and maintained by the policy writer or department requiring/authoring the policy.
2. Exhibit – a supporting document developed and maintained in a department other than
3. the department requiring/authoring the policy.
4. Devised – the date the policy was implemented.
5. Revised – the date of every revision to the policy, including typographical and grammatical changes.
6. Reviewed – the date documenting the annual review if the policy has no revisions necessary.

V. Additional Definitions

Medical Necessity or Medically Necessary means Covered Services rendered by a Health Care Provider that the Plan determines are:

- a. appropriate for the symptoms and diagnosis or treatment of the Member's condition, illness, disease or injury;
- b. provided for the diagnosis and the direct care and treatment of the Member's condition, illness disease or injury;
- c. in accordance with current standards good medical treatment practiced by the general medical community;
- d. not primarily for the convenience of the Member, or the Member's Health Care Provider; and
- e. the most appropriate source or level of service that can safely be provided to the Member. When applied to hospitalization, this further means that the Member requires acute care as an inpatient due to the nature of the services rendered or the Member's condition, and the Member cannot receive safe or adequate care as an outpatient

Medicaid Business Segment

Medically Necessary — A service, item, procedure, or level of care compensable under the Medical Assistance program that is necessary for the proper treatment or management of an illness, injury, or disability is one that:

- i. Will, or is reasonably expected to, prevent the onset of an illness, condition, injury or disability.
- ii. Will, or is reasonably expected to, reduce or ameliorate the physical, mental or developmental effects of an illness, condition, injury or disability.
- iii. Will assist the Member to achieve or maintain maximum functional capacity in performing daily activities, taking into account both the functional capacity of the Member and those functional capacities that are appropriate for Members of the same age.

DESCRIPTION:

Olinvyk (olicecidine) is an opioid agonist that selectively binds to the G-protein section of the opioid mu receptor to induce analgesia. Reduced activation of the beta-arrestin pathway associated with opioid-related adverse events (eg, respiratory depression, GI effects).

CRITERIA FOR USE: Requires Prior Authorization by Medical Director or Designee

Olinvyk (olicecidine) will be considered medically necessary for the commercial, exchange, CHIP, and Medicaid lines of business when ALL of the following criteria are met:

- Medical record documentation of age greater than or equal to 18 **AND**
- Medical record documentation of moderate to severe acute pain **AND**
- Medical record documentation that patient requires an intravenous opioid analgesic **AND**
- Medical record documentation that alternative treatments of therapeutic failure on, intolerance to, or contraindication to three generic intravenous opioid analgesics.

AUTHORIZATION DURATION: 2 days

Note: For Medicaid (GHP Family), any requests for services that do not meet criteria set in the PARP will be evaluated on a case-by-case basis.

Olinvyk (olicecidine) will be considered medically necessary for the Medicare line of business when ALL of the following criteria are met:

- Medical record documentation of age greater than or equal to 18 **AND**
- Medical record documentation of moderate to severe acute pain **AND**
- Medical record documentation that patient requires an intravenous opioid analgesic **AND**
- Medical record documentation that alternative treatments are inadequate to treat the patient's pain.

AUTHORIZATION DURATION: 2 days**LINE OF BUSINESS:**

Eligibility and contract specific benefit limitations and/or exclusions will apply. Coverage statements found in the line of business specific benefit document will supersede this policy.

This policy will be revised as necessary and reviewed no less than annually.

Devised: 4/29/21

Revised: 3/22/23 (LOB carve out, Medicaid business segment)

Reviewed: 3/29/22 (Medicaid PARP statement)
