

## Internship Program Admissions

Updated Aug. 28, 2020

Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:

We take applicants from APA accredited clinical, counseling, and school psychology programs who have an excellent academic record, well-rounded training prior to internship and who have a strong interest in working in an academic medical center or integrated primary care setting. Preference is given to applicants who have dissertation data collected or dissertation completed prior to internship.

Does the program require that applicants have received a minimum number of hours of the following at time of application? If Yes, indicate how many:
